RINDGE HISTORY COMMITTEE
Report for 1969

The Committee regrets the passing of Perry B. Thrasher and the resignation of Carrie S. Gray, the original chairman, who has moved out of town. Both Mrs. Gray and Mr. Thrasher contributed immeasurably to the work of the Committee. These members have been replaced by Mrs. John Sampson and Mr. William Davis.

In March 1956 the Town voted "to raise and appropriate the sum of \$500 to gather and preserve historical records, data and personal reminiscences with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date". Appropriations have been made regularly since then.

Originally it was thought that a sequel volume to Stearn's 1874 History would be published but now the question is debated whether a new History should not start from the beginning of the Town origins.

During the year there have been consultations with experts on the classification, filing and preservation of the mounting store of information gathered by the Committee and also for advice on the time period to be covered by a future publication.

The purpose of the recently formed Rindge Historical Society, a private, voluntary organization, will be concerned mainly with the collection and preservation of historical books, papers, maps, relics and other articles relating to the Town, may hold real estate, etc. whereas the Town History Committee concentrates on locating and recording factual information only in a general file system for future publication of a History.

The Committee is continuing to have published in the newspapers and magazines, articles of interest concerned with various sections of the Town.

At this time the Committee wishes to express our appreciation to all who have researched and written these articles.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

FIRE PERMIT

A Fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

INGALLS MEMORIAL LIBRARY

The position of Librarian was officially assumed by me on July 1, 1969. This report is, in part, a record of the competent work of Mrs. Willard Gray, from January 1 to July 1, and of her help during the month of July, to make the transition a smooth and pleasant one.

Mrs. George Semonite's work as Assistant, has been especially helpful, and Mrs. Ralph Green's assistance with clerical tasks has been invaluable.

Newcomers to Rindge continue to register and to borrow books. There has been an increase in the number of books circulated. We have expanded the reference material to be of assistance to students and teachers, on special topics.

My special thanks go to Miss Ella Connell for her endless hours of book-keeping and for her friendly financial advice.

We appreciate the gift of seamstress labor of Mrs. Ruth Prescott for completely relining the gold brocade draperies in the Symonds Room, also the handy record cabinet constructed by Mr. James J. MacNeil. The gift of a door mat, with appropriate inscription, has made the entrance look official and professional. Custodian Walter Lovell was the thoughtful donor.

The patrons of the library enjoy the stereo and the sound projector so generously given by the Friends of the Library. The "Friends" have helped greatly to enhance the hospitality of the library, not only for the citizens of Rindge but for professional librarians throughout the State.

Mrs. James J. MacNeil, president of the "Friends" and her officers have been untiring in their efforts in this area.

The Rindge Woman's Club, during the presidency of Mrs. Marshall S. Danforth, has supplied volunteers for the Story Hour, held directly after school on Thursday afternoons. Six story tellers have contributed much time and effort to an average of twenty youthful listeners. The Club has also made provisions for refreshments on special occasions.

It is to be regretted that space does not permit the listing of the names of the many donors of magazines, books, artifacts, memorabilia, and money. The list is a long one.

My thanks to all who have contributed in any way to the betterment of the Library and to my initial six months in the employ of the Town of Rindge.

Respectfully submitted,

Elizabeth W. Sampson

INGALLS MEMORIAL LIBRARY

REPORT OF TRUSTEES

The year 1969 was an eventful one for the Ingalls Memorial Library and its Trustees. It has been a year discouraging yet hopeful, difficult yet challenging. Above all it has been progressive, not stagnant.

In January Mrs. Carrie Gray, our devoted Librarian for twenty years shocked the Trustees by announcing that for personal reasons she wished to retire in June or July of this year. Then followed the resignation from the Board of Trustees of Mr. Verne Patenaude who served so loyally and effectively for so many years. He felt that his health would no longer permit him to continue on. Fortunately, the Rev. R. Bertrand Brett agreed to serve as his replacement and was elected Trustee at the Town Meeting election on March 11.

Mrs. Gray's official resignation came in March and indicated that she would like to leave by the end of July. The Board felt that it would be derelict in its duties if it did not carefully explore every possibility for her successor. We were fortunate to be able to consider seven applicants and at the May meeting the Board unanimously elected Elizabeth Wellington Sampson (Mrs. John S.) of Rindge as Librarian. At the same time the Board decided on the policy of providing two paid assistant librarians. This was a practice not only urged by Mrs. Gray but quite common in other small Libraries. The workload was just too great for one Librarian, a part-time Assistant and volunteer workers. Since the previous Assistant Librarian also resigned, Mrs. Mildred Semonite who had done a great deal of volunteer work for Mrs. Gray, was appointed First Assistant Librarian and Mrs. Laura Green who brought great interest plus business experience to the Library, Second Assistant Librarian. The latter took an intensive course in Library Technique at the University of New Hampshire in July.

At the June Trustees' Meeting, Mr. Edwin B. Klein who had contributed so much to the welfare of the Library and the work of the Trustees for so many years announced that he too felt that he must resign as Trustee. In spite of our best efforts to change his mind his official resignation came in August. The Board was fortunate enough to persuade Mr. Lawrence H. Walsh to take over Mr. Klein's post and he was appointed by the Selectmen in September to fill the latter's unexpired term.

On August 24th a reception for Mrs. Gray was held at the Town Hall. The Trustees presented her with a testimonial plaque and a gold pin. A substantial monetary purse was also presented by the Townspeople. Living room furniture, flowers, music and nicely-served refreshments completed a fitting tribute to Mrs. Gray who will be officially designated as Librarian Emeritus at the next Town Meeting.

The Supper Club meeting of April 19th was devoted to the Library and a large attendance seemed to enjoy the evening at which time the aims and services of the Library were outlined. Throughout the Spring and Summer the Trustees aided in arranging and carrying out several projects for the benefit of the Building and Renovation Fund. The Chairman of that Committee will submit his own report on

that phase of the Library year.

The Trustees, as always, are deeply obligated to the Friends of the Library for their diligent efforts to aid the Library and are most grateful for the gifts of a beautiful Scott stereo record player and F.M. Radio combination, the Record Cabinets and the Book Drop. It is a privilege to belong to this group and the Trustees hope the membership list will grown even longer. This active organization will also make its own report on its activities.

Use of the Library by children and young adults has been excellent and is being encouraged in every way possible. Saturday hours, possibly from 1 to 4 PM are a probability under the supervision of the Friends. Story hours are popular and spring and summer activities are planned.

On June 13th of this year the Ingalls Memorial Library will be 75 years old. The Trustees are planning an appropriate 75th Anniversary celebration. We bespeak the enthusiastic help and cooperation of the Townspeople on this memorable occasion.

To Miss Ella Connell, our Treasurer, goes a hearty vote of thanks for her excellent bookkeeping and financial statements and her untiring help in the business side of the Library and her devoted interest in its welfare.

To all who donated so generously to the Library and to the Building and Renovation Fund and to those who have worked so hard in one capacity or another, the Trustees extend their most sincere thanks. We look forward confidently to more progress in 1970 and subsequent years so that the Ingalls Memorial Library may be high up among the very best of the small Libraries in the State.

B. SCHOOL PROGRAM

I hereby submit my second annual report as Principal of the Rindge Memorial School in the Town of Rindge.

Kindergarten and first grade pupils were greeted with freshly-painted rooms and carpeting on the floors. The fourth grade room and the library had new lighting fixtures. The building as a whole was sparkling through the efforts of Mr. Quimby, the custodian.

The enrollment this year is 177 pupils which includes kindergarten.

Our complete staff returned to us this year.

Continuing Programs

Our library which was renovated last year is being used extensively by the staff. The new books received last year added immensely to the depth of this important facility.

Members of the staff at Rindge Memorial School wish to extend an invitation to all parents to come and visit with us during the school year.

Mrs. McKenney held Parent-Teacher conferences with the parents of her first grade children at the close of the first marking period. These conferences prove to be very valuable in bringing the parents and teachers to a closer understanding of the child.

The Monadnock Children's Special Service Center in Keene has continued its services in the form of a consulting team that visits our school once a month to evaluate Rindge children who have difficulty adjusting to the educational processes. These children are evaluated and referred directly through this team. This help enables us to place the children in beneficial educational programs that meet their needs.

Physical education classes that are conducted by students from Franklin Pierce College, under the guidance of Mrs. Estabrook and myself, are still continuing effectively. This service does not incur any expense to the district.

Our kindergarten program, which is in it's second year has been most successful.

The music and art programs are continuing the same as last year. Instructors are shared with the Jaffrey School District.

Due to the closing of Boston University's Sargent Camp, we will continue our Outdoor-Conservation program at Camp Union in Greenfield, N.H. starting the week of April 20th.

I would like to thank you, the many people who have contributed to the success of the school during the current year.

PART III. SCHOOL PLANT

A. Repairs

Mr. Quimby, the custodian, performed the regular summer maintenance which consisted of:

1. Washing light fixtures
2. Washing windows
3. Dusting ceilings and walls
4. Stripping floors of wax, washing, waxing, and buffing all floors.
5. General grounds upkeep.

Kindergarten and first grade rooms were painted and carpeted. New carpeting was laid in the library. New lighting fixtures were installed in the fourth grade room and the library.

The gym and stage floors were sanded and refinished.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The Rindge School Health Service report for the school year, September, 1968, to June, 1969, reflects, as in years past, the cooperative efforts of all school and health personnel entrusted with the daily care and health of the children at Rindge Memorial School.

Dr. Sterling, school physician, and Dr. Johnson, dentist, deserve particular mention for their continued service to your children.

Statistics are as follows:

| | Total | Defects | Corrections |
|--------------------------|-------|---------|-------------|
| Physical Exams | 70 | 1 | 1 |
| Vision Screening Tests | 177 | 11 | 8 |
| Auditory Screening Tests | 185 | 4 | 4 |
| Dental Screening | 180 | 70 | 48 |

During April, a State Dental Hygienist conducted an educational program for the children with 170 youngsters participating.

A Tuberculosis Clinic was held with 24 children receiving the Heaf test.

On May 21 and 28, 1969, pre-school clinics were held and thirty children were seen by the nurse.

Health care must not be a privilege confined to a few, but a right not to be denied any child. It is to this end that we have addressed our efforts.

According to my knowledge this report is correct and complete.
